B.I.K.E. Day 2009:
*Bringing Independence to Kids
Effectively*

The Colburn National Foundation is pleased to announce the 2009 Stationary B.I.K.E. Race which will raise funds for children with disabilities in the Saratoga Springs area.

Based in Saratoga Springs, New York, The Colburn National Foundation is a 501(c)(3) organization whose mission is to assist children with disabilities and their families. Our primary goal is to provide our grantees with the necessary tools so they can be as active in their community – and with their peers – as possible.

Many of the children who need our help are eager to participate with their peers in everyday childhood activities – like riding a bike. A child with disabilities requires a special adaptive tricycle in order to accommodate their mobility and ensure safety. Adaptive tricycles can cost anywhere from \$500.00 to \$4,000.00 and are not covered by insurance or Medicaid. Children with limited mobility due to disabilities need the opportunity to be mobile just as much, if not more, than children with full mobility.

The Colburn National Foundation created this **Annual Stationary B.I.K.E. Race** to raise funds which will go directly towards the purchase of adaptive equipment for children with disabilities who reside within a 50 mile radius of Saratoga Springs.

We need your help – please consider participating in this very worthwhile event by either racing on a team or sponsoring someone who is.

Important Race Information:

- Teams will be made up of four members. There is only space for a maximum of 26 teams, so register early!
- Based on pledges collected, participants will earn free tickets for our raffle. The grand prize raffle is a custom **SEROTTA COMPETITION BICYCLE!!**
- Teams will have the opportunity to race for great prizes including:
 - ❖ **Grand prize: (Four) Annual individual memberships to the YMCA**
 - ❖ **Gift Cards to local Sporting Goods Stores**
